

WEEKEND COURSE IN GLASS BLOWING

Do you belong to those who want to create on their own and who always have wondered what glass blowing is about and how it feels? If so, this course is for you.

A WEEKEND IN THE LAND OF A GLASSBLOWER

Welcome to a unique weekend. I invite you to my glass studio where we alternate creativity with exiting glass history. Together with me you will be able to try blowing, engrave and sculpture in glass. After the weekend you will have several objects that you created yourself in different techniques to bring home.

YOU WILL PRACTISE:

- * Glassblowing
- * Sand casting
- * Sculpturing in glass
- * Engraving
- * Manufacturing clay molds
- * Basic knowledge of glass and its history

THE COURSE INCLUDES:

- * Malin Mena monitors the courses (maximum 6 participants per occasion).
- * Your own products to bring; blown glass, sculptures casted in sand, paper weight, flower sticks in coloured glass, surface engraved etc.

COURSE OPPORTUNITY:

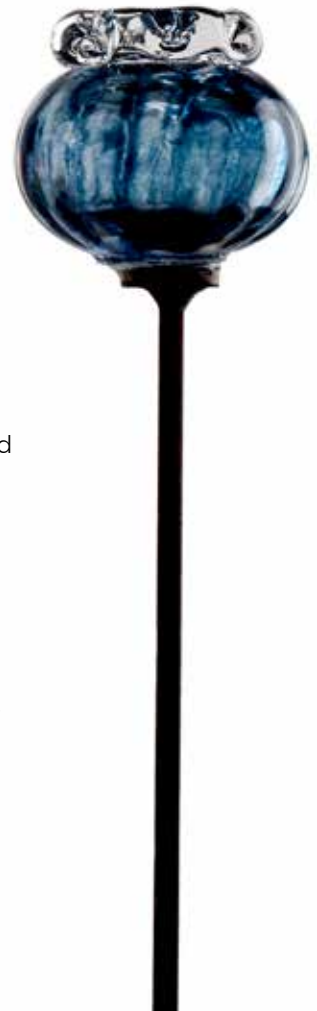

This course will be held weekends Saturday 10-16 and Sunday 10-16 and above that a couple of extra hours according to agreement for processing and fetching of the finished products.

COURSE FEE:

4 900 SEK per person (including taxes). All materials include, fruit and coffee both days. Bring your own lunch.
